What I love about teaching

I am a music teacher and I love sharing stories and songs about the
love of Jesus!

What your child will learn in my classroom

Your child will learn music in all different kinds of forms! Each
child will do different activities from exercise to exposure to musical
instruments, to singing and reading books. Interactive stories with
music and movement will be a part of their musical journey as well,
and I will work hard to ensure that all of the students have fun
while learning about the love of Jesus!
