

Name

Rebeca Velasquez-Vasquez

Childcare Background

I have been at The Willow CDC for over a year. Previously, I have worked at the Honey Bear daycare in Atlanta, GA. I completed an internship at Freeman Elementary School and Eastfield College Daycare.

Special Skills/Certifications

*First Aid/CPR Certified*

*Bachelor's Degree: Human Sciences & Education*

*Bilingual*

What I love about teaching

I love to create a classroom environment that is stimulating and encouraging to help the children reach their developmental milestones based on individual needs.

What your child will learn in my classroom

They will begin to learn how to interact with their environment based on their developmental stage. We will also begin to learn to be kind and loving, and to share with others.
