- The **first column** allows direct correspondence from Group Leaders or members, such as email notifications of new group messages, event invitations, group emails, and position or needs information. Check these boxes if you wish to receive this type of correspondence from a group. *This setting is recommended.*
- The **second column** determines whether or not you wish to receive an email when a member of the group posts a comment to a message. Check the boxes next to the groups whose comments you want to see. *This setting is considered optional.*
- The **third column** determines whether or not you wish to receive a weekly summary of any changes made to the group, including new events, comments, files, needs, or positions. Check the boxes next to the groups for which you want to receive this weekly summary. *This is a recommended setting.*
- The **final column** allows you to indicate which groups from which you want to receive text messages. Choose your mobile phone carrier from the pulldown menu, verify or add your mobile phone number, and check the boxes for the groups you wish to enable. Remember, standard text messaging rates from your carrier may apply. *This setting is recommended.* The mobile carrier and number are required. If you have a smaller local

carrier you will need to find out the major carrier the smaller provider is using and add that carrier from the pull-down menu.

Note -

- Text Messages can only be sent by Group Leaders and the message is sent to the entire group.
- Text messages are sent as SMS messages. (Check your phone settings to enable)
- The message does not allow for replies

General Church Communication
These emails are usually sent by church leadership or staff.

Recommended I'd like to receive important campus- and church-wide emails.

Email Address
You can update your email address.

(Example: you@ccbchurch.com)

If you do not want to receive any more emails from us, you can permanently remove your email address from the database. Removing your email address means no one in this church will be able to contact you via email using this system. If you would like us to have your email address for contact purposes, please do not click this option.

NOT Recommended Completely remove my email address from the database.

- Completely remove your email address from the database

Once the changes have been made, click **Save Settings**.
