## *Legacy Building Update, November 2025*

---

- The initial asbestos abatement has been completed, however, after the pews were removed from the chapel (the pews were donated to a church in Mexico), more asbestos was discovered in the mastic used to install the chapel tiles. The asbestos company is now back on campus to complete the removal of the asbestos.
- The rerouting of the plumbing to remove it from the demolition area has been completed.
- Currently in the process of rerouting electrical lines to remove them from the demolition area.
- Continuing to wait to receive the site permit, which will then allow the building permit to be released. The demo permit has already been received.
- Continuing progress with Oncor to have overhead lines on 9<sup>th</sup> street moved to underground.
- Continuing progress with communication companies to have lines and poles removed from the church side of Avenue D.
- Temporary interior walls will begin to be built starting in December. These walls will shut off access to the demolition area.
- Once the temporary walls are in place, (tentatively by December 8 or the middle of December), interior demolition will start for the purpose of separating the Suter Building from the building that is being demolished.
- December 4-6, the Suter Building will have utilities shut down in order to reconnect the utilities that had to be rerouted for demolition.

### Specific Prayer Requests

- Pray for 100% of our members to be involved in some way in the Legacy Building project.
- Pray that we will continue to meet our church budget as well as we continue to minister in the name of Jesus.
- Pray for God to continue to be in the entire process and lead us divinely.
- Pray that FBCG will learn aspects about God and His character through the building project and God will grow our faith as we are built into a habitation of God as His people while the church building is constructed physically.
- Pray for God to provide the resources needed for this project.
- Pray that wise plans are made with all the different logistic changes being made to make sure we keep people safe.
- Pray for God's direction as we plan on adding a 3rd English speaking service.
- Pray that the workers who come to our campus will sense the presence of God while they are here.
