Dear Parents and Guardians,

The Willow Child Development Center has incorporated a Facebook page! Throughout the year, we will be taking a lot of pictures to capture the fun we have learning. We would love to keep you up-to-date on what we've been doing through this site so you can "see" what your child has been doing! You may enter this link to find our page (<https://www.facebook.com/groups/1851203051842832/>)

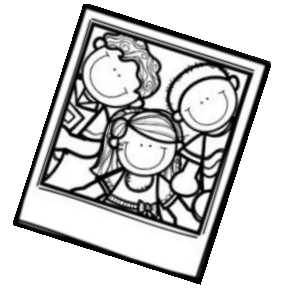

This page is private and only families who are added to the group will be able to see pictures. We do ask that you please refrain from sharing pictures from our Facebook page to ensure student privacy. If there is a particular picture that you would like to keep, please email us. We can share your favorites with you personally so that you may share with your friends and family. Thank you for your support and understanding. Please let us know if you have questions or concerns.

If this is something you would like to be involved in please complete the form on the next page and return it to the front office. **By signing this form you are agreeing to let us photograph and publish pictures of your child.**

Thank you!

Facebook & Photo Release

Yes! Please sign me up to receive updates from the classroom on Facebook. Please print clearly on the lines below.

No, we are **not interested in joining** the Facebook group at this time, but you **may take pictures** of my child.

(Check this box if you do NOT have a Facebook account, but are OKAY with us taking your child's picture.)
